- No communications throughout the test

- Log on to Zoom and webcam should be on throughout the test

- Password to access Canvas for test answer submissions required

Feedback on Interim Report 3

- IM/Internet+ solutions may not be restricted to your problems/opportunities identified in interim report 2
- You should give details if you suggest generic solutions (e.g., digital marketing & BI)
- Higher marks will be given to students if they can demonstrate both product and process implementation competitive advantages by using IM/Internet+ solutions
